Where Asia's LNG Buyers & Sellers Meet

Conference Connection is pleased to announce the **15th LNG Supplies for Asian Markets 2020 (LNGA 2020)** which will be held in **Singapore** from 10 – 11 February 2020 (*conference*).

Held annually and now in its 15th year, the **Official Opening and Ministerial Address** for the conference will be delivered by **Dr Koh Poh Koon, Senior Minister of State, Ministry of Trade and Industry, Singapore**.

The Keynote Address is currently scheduled on 10 February 2020.

Following the success of LNGA 2005–2019 which attracted over 3,000 participants from more than 60 countries worldwide covering varied sectors of the Gas/LNG industry, this conference will provide continuing insights into the challenges and opportunities for the LNG industry over the next decade with an emphasis on the Asian markets, which accounts for over 75% of global imports.
