## Established one-of-a-kind platform for senior executives of large, medium, and small-scale Lng plants.

**Event:** 7<sup>th</sup> Annual International LNG Congress Russia

**Date:** 18-19 March 2020

**Venue:** Moscow, Baltschug Kempinski

**Organiser:** Vostock Capital

LNG Congress Russia is an international platform which traditionally gathers LNG industry leaders from all over the globe. The event welcomes **over 300 operators of large-, mid-, and small-scale LNG projects (Rosneft, Gazprom LNG Saint Petersburg, Gazprom Transgaz Yekaterinburg, Gazprom Gas Motor Fuel, Sibir-Energo, Dalgazresurs, TopGaz, and others), government, and engineering leaders of the LNG industry.**

### Among the speakers and panellists 2019:

- **ALEXANDER POPOV**, Vice President, **Exxon Neftegaz Ltd.**
- **Stuart Bradford**, Senior Deal Lead, **Shell**
- **Sander Stegenga**, Shell Technical Director for LNG Projects, Russia, **Shell**
- **ALEXEY GREBENYUK**, General Director, **Gazprom LNG Vladivostok**
- **VLADIMIR SMELOV**, Oil & Gas Department, Director, **Gazprombank**
- **TATIANA MITROVA**, Director of Energy Centre, **Skolkovo Energy Centre**

### Programme Highlights:

- **2 STRATEGIC DAYS:** LARGE, MEDIUM, AND SMALL-SCALE LNG PROJECTS
- **DEBATES OF INDUSTRY LEADERS!** Changing global LNG market: impact of Russia on pricing mechanisms
- **UPDATES FROM OPERATORS:** status and news on existing and planned projects
- **NEW! LNG BUNKERING:** what will incentivise successful development of the industry?
- **SPECIAL FOCUS:** LNG as fuel – growth routes and development vectors
- **IMPORTANT: RUSSIAN AND FOREIGN SOLUTIONS FOR LNG PROJECTS.** Case studies

- **30+ hours of formal and informal networking.** One-on-one meetings, business lunches, coffee-breaks, interactive roundtables with champagne, and a lot more
- Technology-focus presentations, road show, specialised exhibition of technology, equipment, and services from global leaders
