

IN-VR Oil & Gas Announces  
**The Energy Online Series: Timor-Leste, June 4th 2020**

**FOR IMMEDIATE RELEASE**

## Timor-Leste's official Oil & Gas event goes online

IN-VR is organising the [Timor-Leste Oil & Gas Energy Online Summit](#), taking place completely online and sponsored by [SundaGas](#) and [Pacific Towing](#). **All the profits will be donated to charity** supporting their initiative to provide masks, gloves and necessities to groups in need.

The online summit will take place on June 4th 2020, focusing on Timor-Leste's plans in the current oil price landscape, new business opportunities in its **2nd Licensing Round, exploration updates** and **new midstream projects**.

The summit will gather government officials, key IOCs, investors and service providers that will discuss these topics and network with attendees online in sessions and private B2B meeting rooms.

### *What are the key thematics of the online summit?*

- Timor-Leste's 2nd Licensing Round: Acreage opportunities and terms
- ANPM's instrumental role and jurisdiction in the country and region
- Timor-Leste's geology and available seismic data
- Why to invest in Timor-Leste - Investor's perspective
- Service provider opportunities in Timor-Leste
- The Timor-Leste / Australia Maritime Boundary Treaty – the new framework
- What are the best companies to partner with in Timor-Leste?
- Exploration updates in Timor-Leste
- The Chudith Gas Discovery and the PSC TL-SO-19016 license, SundaGas' success and update
- Bayu-Undan field updates and new opportunities

### *Who will be presenting?*

- Dino da Silva, President, **ANPM**
- Mateus da Costa, Director of Exploration, **ANPM**
- Amado Hei, Director for PSC & Legal Compliance, **ANPM**
- Andy Butler, Chief Executive Officer, **SundaGas**
- Neil Papenfus, General Manager, **Pacific Towing**

and many more, soon to be announced!

*[Let's get masks, gloves and food to the right people while we network with Timor-Leste's oil & gas industry!](#)*
